

A photograph of two young children, a boy and a girl, standing in a field of tall, golden wheat. The boy, on the left, is wearing a light blue polo shirt and dark shorts. The girl, on the right, is wearing a white t-shirt and light-colored shorts. They are both smiling and looking at each other, with their hands near each other as if they are examining something together. The background is a clear blue sky with a few wispy clouds. The overall scene is bright and cheerful, suggesting a sunny day in a rural setting.

MEADOWS

CHILDREN'S NURSERY

ESTABLISHED IN THE NORTHUMBERLAND COUNTRYSIDE SINCE 1990

HERITAGE

AWARDED BEST NURSERY IN THE UK

There's something special about Meadows, you feel it as soon as you come off the A69 and drive up the lane towards our unique rural location.

Established in the beautiful Northumberland countryside in 1990, Meadows Nursery enjoys an unrivalled location which has both parents and children feeling welcome, safe and secure.

Starting nursery is a big step for children and their parents. Our aim is to nurture each individual child's emotional and physical wellbeing as well as their developmental and learning needs from birth to five years old.

Our team are always on hand to listen, understand and share your experience.

For around a quarter of a century under our expert guidance, children attending Meadows Nursery have experienced a homely, family environment which provides a rich experience that simply cannot be found elsewhere.

It's our life's work. We're proud of our setting and the little 'Meadownians' who learn, grow and thrive here. Children thrive and blossom here and above all, they arrive and leave happy, every day.

"THERE'S SOMETHING SPECIAL ABOUT MEADOWS"

Our founder Margaret Taylor established Meadows Nursery with the fundamental belief that being outdoors is a very important aspect in a child's learning experience.

Meadows Nursery aims to provide quality education and care for your child whilst keeping you involved and informed in their ongoing development. The relationship between the nursery and your family is important to us.

Led by Margaret and Diane, the team at Meadows deliver a warm, homely and happy atmosphere. Spend some time with our team and you'll see they are deeply caring and passionate about your child's specific needs.

Margaret and Diane have a total of over 50 years combined experience in childcare and inspire a hard-working, dedicated and qualified team.

Margaret and Diane lead, support and mentor a highly committed team who are focused on delivering high-quality, outcome based care for your child.

They are here to inspire, motivate and challenge every child who attends Meadows Nursery and are always just a phone call away to all parents.

A young child with brown hair, wearing a red long-sleeved shirt, is focused on watering a garden. The child is holding a green watering can with a black handle and a black spout. Water is dripping from the spout onto a cluster of white and red flowers in the foreground. The background is a lush, green garden with various plants and flowers, including purple and pink blooms. The overall scene is bright and sunny, suggesting a pleasant day outdoors.

THE GREAT OUTDOORS

MEADOWS NURSERY / TOP RECOMMENDED NURSERY IN THE UK AND NORTH EAST 2015

“CREATING A LOVE FOR THE OUTDOORS”

Every inch of our outdoor environment has been carefully planned to provide a wide range of experiences whatever the weather.

Our secure, sensory garden offers a space for baby to take their first steps surrounded by fresh air.

We have buggies and wellies always ready to explore the local countryside under the watchful eye of our knowledgeable team.

In the foundation garden, children can nurture and care for plants, explore our bug hotel or perform on the outdoor stage!

There's lots of open space so your child and their friends will enjoy learning and playing outside in the fresh air where their imaginations can run free.

As your child gets older, they will explore our magical, natural classroom in the local woodland area and enjoy wonderful guided walks in the Northumberland countryside.

We're confident Meadows Nursery will create a love of the outdoors which will stay with your child for the rest of their life.

GROWING AND LEARNING

MEADOWS NURSERY / TOP RECOMMENDED NURSERY IN THE UK AND NORTH EAST 2015

“CHILDREN CAN ACHIEVE THEIR FULL POTENTIAL”

For many of our parents, Early Years is where their child's journey will start.

When your baby first goes to nursery it is an emotional time. At Meadows it's important to us that you feel assured and at ease.

Surrounded by views of the rolling countryside, the scent of lavender or camomile in the air and mellow music to calm the soul, both your little one and you will feel content and supported by our caring team.

In Foundation Years you'll find the playroom and schoolroom. It feels like a 'Home from Home', a welcoming environment to stimulate and challenge your child.

Through indoor and outdoor learning we aim to create an environment where children can achieve their full potential.

Our classes are small in size to give your child the opportunity for individual growth and learning as well as time to build special relationships with friends.

At the end of their time in nursery, our 'Meadownians' are well equipped for the next stage in their learning journey, the exciting step of starting school.

THE KITCHEN

MEADOWS NURSERY / TOP RECOMMENDED NURSERY IN THE UK AND NORTH EAST 2015

“LOCAL
FRESH
PRODUCE”

When you step inside Meadows Nursery you are greeted by the aroma of home cooking as our in-house cook prepares a range of dishes to suit the dietary requirements of all our children.

We use seasonal ingredients and local fresh produce, some of which we grow right here at Meadows.

Older children are involved in the preparation of meals whilst the younger ones just enjoy eating! Mealtimes at Meadows are an opportunity to promote key life skills including good manners and acceptable social behaviour.

Did you know we even drink local milk? The organic milk produced at nearby Nafferton Farm goes to Acorn Dairy for processing and then comes straight back to us for your child to drink.

For sample menus please visit our website.
